Centre Wellington Childrens Drama Club presents "Cruisin"

Date and Time: Saturday, April 6 02:00 p.m. - 4:00 p.m.

Event Location: Fergus Grand Theatre - 244 St Andrew St W, Fergus

The Centre Wellington Children's Drama Club runs two drama groups for local children enrolled in school between grades 4 and 8. Students participate in a variety of drama games, exercises and techniques and work toward a polished theatre performance for their school and public.

This year the Tuesday night group is presenting "Cruisin"

"Climb aboard the Eastern Pearl! A great time awaits as former pirate Captain Shiverin' Timbers and his crew welcome all to a luxurious and unique cruising experience along Canada's East Coast. This is the promise to the passengers of the ship's maiden voyage. But as the ship sets sail, the promise seems to be falling short. The pool is too cold, the ship's safety is not up to code and the scheduled entertainment is too sick to perform. Worst of all, the Captain appears to have abandoned the ship when the passengers need him the most. Will the Captain be able to smooth things over and keep his business afloat or will the angry mob on board make the former pirate walk the plank? There's only one way to find out. Reserve your cabin now and join us onboard the Eastern Pearl where we'll be off and Cruisin'."

Autism Strikes Back

Date and Time: Saturday, April 13 07:00 p.m.

Event Location: 500 Blair Street Fergus, Ontario

Autism Behavioural Services Inc is a therapeutic treatment centre specializing in working with children diagnosed on the autism spectrum and children with behaviour issues. We focus our work on Intensive Behavioural Intervention (IBI), Applied Behaviour Analysis (ABA) as well as social skills groups, family training and coaching, as well as provide fun camp opportunities. With the recent changes in the government's autism funding cuts, our children have been literally cut off from their therapeutic needs. These changes are resulting in our kiddos being thrown back into community schools without adequate support. This will have a severe impact on not only our kids with autism, but on all the community schools, teachers, and the children who attend regularly.

We are reaching out for community support by hosting an autism fundraiser. We are having an autism fundraiser party on Saturday, April 13th, 2019. A band will play, food will be served, A silent auction will be held, along with a donation jar to be filled. Drinks can be purchased.

It will be held at the Fergus Legion starting at 7pm.

We cordially invite you to attend and show your support to help continue to service our client needs and transition them with appropriate supports into the school system.
